BID FORM

PROJECT IDENTIFICATION:

City of Oxford
"Old RSVP Building Demolition"

THIS BID IS SUBMITTED TO:

City of Oxford
107 Courthouse Square
Oxford, Mississippi 38655

1.01 The undersigned BIDDER proposes and agrees, if this Bid is accepted, to enter into an Agreement with OWNER in the form included in the Bidding Documents to perform all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.

2.01 BIDDER accepts all of the terms and conditions of the Advertisement or Invitation to Bid and Instructions to BIDDERS, including without limitation those dealing with the disposition of Bid security. The Bid will remain subject to acceptance for 60 days after the Bid opening, or for such longer period of time that BIDDER may agree to in writing upon request of OWNER.

3.01 In submitting this Bid, BIDDER represents, as set forth in the Agreement, that:

A. BIDDER has examined and carefully studied the Bidding Documents, the other related data identified in the Bidding Documents, and the following Addenda, receipt of all which is hereby acknowledged.

<u>Addendum No.</u>	<u>Addendum Date</u>
<u>1</u>	<u>2/22/2022</u>
<u> </u>	<u> </u>
<u> </u>	<u> </u>

B. BIDDER has visited the Site and become familiar with and is satisfied as to the general, local and Site conditions that may affect cost, progress, and performance of the Work.

C. BIDDER is familiar with and is satisfied as to all federal, state and local Laws and Regulations that may affect cost, progress and performance of the Work.

D. BIDDER has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or contiguous to the Site and all drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous to the Site (except Underground Facilities) which have been identified in the Supplementary Conditions as provided in paragraph 4.02 of the General Conditions, and (2) reports and drawings of a Hazardous Environmental Condition, if any, which has been identified in the Supplementary Conditions as provided in paragraph 4.06 of the General Conditions.

E. BIDDER has obtained and carefully studied (or assumes responsibility for having done so) all additional or supplementary examinations, investigations, explorations, tests, studies and data concerning conditions (surface, subsurface and Underground Facilities) at or contiguous to the Site which may affect cost, progress, or performance of the Work or which relate to any aspect of the means, methods, techniques, sequences, and procedures of construction to be employed by BIDDER, including applying the specific means, methods, techniques, sequences, and procedures of construction expressly required by the Bidding Documents to be employed by BIDDER, and safety precautions and programs incident thereto.

F. BIDDER does not consider that any further examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance of the Work at the price(s) bid and within the times and in accordance with the other terms and conditions of the Bidding Documents.

G. BIDDER is aware of the general nature of work to be performed by OWNER and others at the Site that relates to the Work as indicated in the Bidding Documents.

H. BIDDER has correlated the information known to BIDDER, information and observations obtained from visits to the Site, reports and drawings identified in the Bidding Documents, and all additional examinations, investigations, explorations, tests, studies, and data with the Bidding Documents.

- I. BIDDER has given ENGINEER written notice of all conflicts, errors, ambiguities, or discrepancies that BIDDER has discovered in the Bidding Documents, and the written resolution thereof by ENGINEER is acceptable to BIDDER.
- J. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance of the Work for which this Bid is submitted.

4.01 BIDDER further represents that this Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any agreement or rules of any group, association, organization or corporation; BIDDER has not directly or indirectly induced or solicited any other BIDDER to submit a false or sham Bid; BIDDER has not solicited or induced any individual or entity to refrain from bidding; and BIDDER has not sought by collusion to obtain for itself any advantage over any other BIDDER or over OWNER.

5.01 BIDDER will complete the Work in accordance with the Contract Documents for the following price:

“OLD RSVP BUILDING DEMOLITION”

BASE BID LUMP SUM BID PRICE FOR DEMOLITION AND REMOVAL AS SPECIFIED:

Forty-Six Thousand Eight Hundred Fifty dollars (\$ 46,850.00)
 (Use words) (Figures)

6.01 BIDDER agrees that the Work will be substantially complete within 30 **calendar days** after receipt of an acceptable sub base when the Contract Times commence to run as provided in paragraph 2.03 of the General Conditions, and completed and ready for final payment in accordance with paragraph 14.07.B of the General Conditions within 15 **calendar days** after the date when the Contract Times commence to run

7.01 BIDDER accepts the provisions of the Agreement as to liquidated damages in the event of failure to complete the Work within the times specified above, which shall be stated in the Agreement.

8.01 The following documents are attached to and made a condition of this Bid:

- A. Required Bid security in the form of certified check or bid bond;
- B. A tabulation of Subcontractors, Suppliers [and other] individuals and entities required to be identified in this Bid;
- C. Required BIDDER qualifications statement with supporting data

9.01 The terms used in this Bid with initial capital letters have the meanings indicated in the Instructions to BIDDERS, the General Conditions, and the Supplementary Conditions.

(2) Any singular reference to BIDDER, Surety, OWNER or other party shall be considered plural where applicable.

1. BIDDER and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to pay to OWNER upon default of BIDDER any difference between the total amount of BIDDER's Bid and the total amount of the Bid of the next lowest, responsible and responsive BIDDER as determined by OWNER for the Work required by the Contract Documents, provided that:

1.1. If there is no such next lowest, responsible and responsive BIDDER, and OWNER does not abandon the Project, then BIDDER and Surety shall pay to OWNER the penal sum set forth on the face of this Bond, and

1.2. In no event shall BIDDER's and Surety's obligation hereunder exceed the penal sum set forth on the face of this Bond.

2. Default of BIDDER shall occur upon the failure of BIDDER to deliver within the time required by the Bidding Documents (or any extension thereof agreed to in writing by OWNER) the executed Agreement required by the Bidding Documents and any performance and payment Bonds required by the Bidding Documents.

3. This obligation shall be null and void if:

3.1. OWNER accepts BIDDER's Bid and BIDDER delivers within the time required by the Bidding Documents (or any extension thereof agreed to in writing by OWNER) the executed Agreement required by the Bidding Documents and any performance and payment Bonds required by the Bidding Documents, or

3.2. All Bids are rejected by OWNER, or

3.3. OWNER fails to issue a Notice of Award to BIDDER within the time specified in the Bidding Documents (or any extension thereof agreed to in writing by BIDDER and, if applicable, consented to by Surety when required by paragraph 5 hereof).

4. Payment under this Bond will be due and payable upon default by BIDDER and within 30 calendar days after receipt by BIDDER and Surety of written notice of default from OWNER, which notice will be given with reasonable promptness, identifying this Bond and the Project and including a statement of the amount due.

5. Surety waives notice of and any and all defenses based on or arising out of any time extension to issue Notice of Award agreed to in writing by OWNER and BIDDER, provided that the total time for issuing Notice of Award including extensions shall not in the aggregate exceed 120 days from Bid due date without Surety's written consent.

6. No suit or action shall be commenced under this Bond prior to 30 calendar days after the notice of default required in paragraph 4 above is received by BIDDER and Surety and in no case later than one year after Bid due date.

7. Any suit or action under this Bond shall be commenced only in a court of competent jurisdiction located in the state in which the Project is located.

8. Notices required hereunder shall be in writing and sent to BIDDER and Surety at their respective addresses shown on the face of this Bond. Such notices may be sent by personal delivery, commercial courier or by United States Registered or Certified Mail, return receipt requested, postage pre-paid, and shall be deemed to be effective upon receipt by the party concerned.

9. Surety shall cause to be attached to this Bond a current and effective Power or Attorney evidencing the authority of the officer, agent or representative who executed this Bond on behalf of Surety to execute, seal and deliver such Bond and bind the Surety thereby.

10. This Bond is intended to conform to all applicable statutory requirements. Any applicable requirement of any applicable statute that has been omitted from this Bond shall be deemed to be included herein as if set forth at length. If any provision of this Bond conflicts with any applicable statute, then the provision of said statute shall govern and the remainder of this Bond that is not in conflict therewith shall continue in full force and effect.

11. The term "Bid" as used herein includes a Bid, offer or proposal as applicable.

More than a policy. A promise.

Best of 2021

J.E. Shurden Construction was recently selected as the Winner for the 2021 Best of Maben Awards in the category of Construction Companies. This award honors and generates public awareness of the achievements and positive contributions of businesses and organizations in and around Maben, MS.

Company Overview

J.E. Shurden Construction is a 2nd generation construction company established by Jonathan E. Shurden in 2013. We began as a small family-owned business providing construction services within the state of Mississippi. Our humble beginnings remind us of where we came from and the many clients, employees and partnerships who helped us along the way. Our hard work and dedication to build an enduring, innovative, and successful organization has allowed us to expand our services throughout the Southeast region. Our company currently employs 8 Management/Administrative personnel and 40 Field Staff members with the main office located in Maben, MS. With 18 years of experience, we are able provide quality work to our customers that meets the project standards and specifications while maintaining profitability and competitiveness. We continually strive to provide a safe and healthy workplace with safety as the primary consideration in all we do.

What We Do

J.E. Shurden Construction offers the following services to our clients:

Civil Construction – We specialize in the planning, preparation, and completion of various civil construction projects. Our experienced team conducts an assortment of operations such as land clearing and grading, site excavation, drainage, roadways, and utilities. We strive to complete projects on time and on budget for even the most demanding projects.

Demolition – We handle demolition projects such as removing a wide variety of debris before and throughout the project to include excavation, grading, concrete, and contaminated soil by using an effective and resourceful method. Our "Go Green" goal ensures all valid debris materials, such as concrete, wood and metal, will be properly recycled to avoid unnecessary landfill space.

Erosion Control – We take pride in the prevention of soil erosion on each and every job site. Our experienced team provides assistance with erosion control by offering options in silt fencing, grassing, hydroseeding, mulching, riprap, reinforced turf mats, wattles, debris skimmers and baffles.
